

## Students

### Release During School Hours

For safety and security reasons, a prior written or oral consent of a student's custodial parent/guardian is required before a student is released during school hours: (1) at any time before the regular dismissal time or at any time before school is otherwise officially closed, and/or (2) to any person other than a custodial parent/guardian.

### Early Dismissal Announcement

The Superintendent or designee shall make reasonable efforts to issue an announcement whenever it is necessary to close school early due to inclement weather or other reason.

### Lunch Period

The Board of Education shall maintain a "closed lunch program" at Rhodes School and assume responsibility for the welfare of all students remaining at school during the noon hour program.

Therefore, all students enrolled at Rhodes School shall eat in the school cafeteria and remain on the school grounds unless parents have notified their child's teacher that he/she has permission to eat at home or elsewhere in the community. Such permission shall be obtained on a daily basis from parents. Students who, with parent permission, leave the school grounds during the lunch hours, will not be under the control, authority or be the responsibility of the School District.

The school reserves the right to bar from the cafeteria for a period of time, any student who has violated the rules of the cafeteria and demonstrated behavior that is inappropriate.
